WHY CHOOSE BOOKED?

YOUR CLIENTS, YOUR BRAND

Clients book directly through your customized website, helping you own your customer relationships.

HYBRID RELIABILITY

Run your business using the confidence of a local system with the flexibility of the cloud.

FIERCELY PROCESSOR AGNOSTIC

Choose the payment processor that's right for your business—not the one your software chooses for you.

BUILT TO SCALE *from* 1 TO 1,000 PEOPLE

Enterprise-grade technology that grows with your business, backed by OrderCounter Hybrid POS since 2007.

ONE PLATFORM. YOUR WHOLE BUSINESS.

From the first online booking to the final checkout, Booked keeps every part of your business connected in one place.

Powerful tools for *beautiful* businesses.

BOOKING • POINT OF SALE • PAYMENTS • CLIENT MANAGEMENT • RETAIL • REPORTING

BUILT AROUND THE WAY YOU WORK

Whether you run hair & nail salons, fitness & wellness centers, massage, pet hotels & grooming, babysitting services, or education centers, Booked adapts to your workflow.

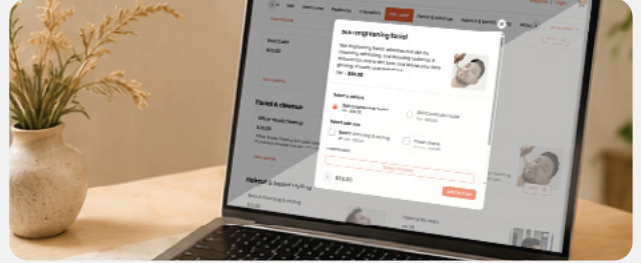

- » Manage chairs, rooms and other resources
- » Make schedules and manage permissions
- » Automate sending waivers and other digital forms
- » Customize your buffer times and enforcement of cancellation/no show policies
- » Multi-Location Support

KEEP CLIENTS COMING BACK

Build stronger client relationships with tools designed to grow your business long after the first visit.

- » Automated Appointment Reminders
- » Memberships & Recurring Revenue
- » Gift Cards
- » Two-Way Client Messaging
- » Loyalty & Marketing Tools

YOUR CLIENTS, YOUR BRAND.

Your booking experience should reflect your business—not someone else's marketplace.

- » Branded customized website with Online Booking
- » No Marketplace Competition
- » No Marketplace Fees

KEEP YOUR BUSINESS RUNNING—EVEN IF THE INTERNET DOESN'T.

Unlike cloud-only systems, Booked's Hybrid POS keeps you checking out clients and accessing appointments during an internet outage, while still letting you manage your business virtually anywhere.

Hybrid POS combines the reliability of an on-site system with the flexibility of the cloud.

The Booked app is available on the App Store and Google Play.
